LOCUM MEDICAL ONCOLOGIST

Halton Healthcare

About Halton Healthcare

Halton Healthcare is an award-winning organization serving over 400,000 people in Oakville, Milton, and Halton Hills, through three community hospitals and a range of services. Located in one of Ontario's fastest-growing regions, we are accredited with Exemplary Standing by Accreditation Canada and are committed to providing high-quality, patient-centered care. Affiliated with McMaster University and Toronto Metropolitan University, Halton Healthcare also plays a key role in advancing medical education at both the undergraduate and postgraduate levels.

About the Department

The Department of Medicine at Halton Healthcare is accepting applications for a Medical Oncology Locum cover a **1.0 AFP funded position from February 1, 2027 – May 7, 2027**, at Oakville Trafalgar Memorial Hospital (OTMH). While full-time coverage is preferred, physicians interested in part-time locum coverage are also encouraged to apply, as flexible coverage arrangements will be considered.

The Cancer Program at Halton Healthcare is located at OTMH which is a state-of-the-art, 1.6 million sq. ft. full-service acute care community hospital located in Oakville, Ontario (30 minutes west of Toronto or 20 minutes east of Hamilton). Over the last several years we have expanded the scope and volume of services provided by our cancer clinic with an enhanced medical oncology presence. The team currently includes four full-time medical oncologists and three malignant hematologists.

Our medical oncologists provide care for a variety of disease sites including Breast, Gastrointestinal, Genitourinary, and Thoracic. There is also the expectation of providing inpatient oncology consultation and after-hours secondary call support to our Internal Medicine physicians.

What We Are Looking For

The successful candidate will promote and exemplify excellence in professional practice and conduct, must have an independent license with the College of Physicians & Surgeons of Ontario (CPSO), be certified in Internal Medicine by the Royal College of Physicians and Surgeons of Canada (FRCPC), and have or be eligible for subspecialty certification in Medical Oncology.

Halton Healthcare is affiliated with McMaster University and offers teaching opportunities. The successful candidates will also be closely aligned with the Mississauga Halton Central West Regional Cancer Program and will be expected to participate in regional Multidisciplinary Case Conferences and regional quality improvement initiatives. Excellent interpersonal skills and a commitment to team-based and inter-professional care are essential.

How to Apply

Applications will be accepted until the position is filled. In your application, please include your up-to-date curriculum vitae. For further details or to submit an expression of interest please contact: **Dr. Andrea Lee, Medical Director, Cancer Services** at physicianrecruitment@haltonhealthcare.com

We thank all applicants for their submissions; however, only qualified candidates will be contacted to attend a pre-application interview. All appointments are subject to an impact analysis and Board approval.

In accordance with the Accessibility for Ontarians with Disabilities Act and the Ontario Human Rights Code, Halton Healthcare will provide accommodation throughout the recruitment and selection process. If you require an accommodation, we will work with you to meet your accommodation needs to ensure your equal participation. All personal information is collected under the authority of the Freedom of Information and Protection of Privacy Act.
