Pediatricians

Halton Healthcare

About Halton Healthcare

Halton Healthcare is an award-winning organization serving over 400,000 people in Oakville, Milton, and Halton Hills, through three community hospitals and a range of services. Located in one of Ontario's fastest-growing regions, we are accredited with Exemplary Standing by Accreditation Canada and are committed to providing high-quality, patient-centered care. Affiliated with McMaster University and Toronto Metropolitan University, Halton Healthcare also plays a key role in advancing medical education at both the undergraduate and postgraduate levels.

About the Department

Halton Healthcare is seeking **part-time, fulltime and locum** Pediatricians to join our growing, integrated Pediatrics Department, serving the rapidly expanding communities of Oakville, Milton and Halton Hills.

Our integrated three-site program offers a diverse community pediatric practice encompassing two Level 2B NICUs, pediatric inpatient care, emergency consultations and award-winning Post-Emergency Pediatric Clinics. With ongoing program expansion and opportunities in medical education, successful candidates will play an active role in shaping the delivery of neonatal and pediatric care across Halton Healthcare.

Beyond clinical practice, we take pride in our supportive and collegial team culture. We value collaboration, mentorship and opportunities to connect across our three sites, fostering a department where physicians feel supported, engaged and part of a larger team.

As a teaching site for McMaster University and Toronto Metropolitan University, we also offer opportunities to engage in undergraduate and postgraduate medical education, with faculty appointments available.

What We Are Looking For

Qualifications:

- Royal College certification in Pediatrics (FRCPC).
- Hold a license in Ontario to practice independently.
- Experience in acute neonatal and pediatric care including up to date PALS and NRP training.
- A strong commitment to community pediatrics and participation in shared on-call coverage.
- Excellent communication, collaboration and teamwork skills.
- New graduates are encouraged to apply! We welcome physicians looking to build a rewarding community pediatric practice within a collaborative and growing team.

How to Apply

Applications will be accepted until the positions are filled with an anticipated start date of May 2027 or sooner. Interested candidates are invited to submit a cover letter and current curriculum vitae and name of 3 references to: **Dr. Gagan Saund, Chief of Pediatrics** at physicianrecruitment@haltonhealthcare.com .

We thank all applicants for their submissions; however, only qualified candidates will be contacted to attend a pre-application interview. All appointments are subject to an impact analysis and Board approval.

In accordance with the Accessibility for Ontarians with Disabilities Act and the Ontario Human Rights Code, Halton Healthcare will provide accommodation throughout the recruitment and selection process. If you require an accommodation, we will work with you to meet your accommodation needs to ensure your equal participation. All personal information is collected under the authority of the Freedom of Information and Protection of Privacy Act.
