Georgetown Hospital Volunteer Association presents largest donation

(Georgetown, ON) October 17, 2017 - The Georgetown Hospital Volunteer Association (GHVA) presented Halton Healthcare with a cheque for \$65,000 at their 2017 Annual General Meeting. This is the GHVA's largest donation to-date.

“Halton Healthcare is fortunate to have three very strong, vibrant volunteer groups who are an integral part of each of the hospitals they support,” said Denise Hardenne, Halton Healthcare President and CEO. “In addition to the many hours of service they contribute each year, our volunteers also work tirelessly to fundraise for medical equipment and enhancements to make Georgetown Hospital more welcoming for our patients and their families.”

“Congratulations to the GHVA on their successful fundraising efforts. This year’s \$65,000 cheque, which is the GHVA’s largest donation to the hospital ever, demonstrates their unwavering commitment and generosity,” added Ms Hardenne. “Thank you!”

The Annual General Meeting also celebrated the accomplishments, commitment and support of the GHVA’s volunteers over the past year, and honoured some individual volunteers for their continued service.
