OTMH Hosts Teen Mental Health Information Night

(Oakville, ON) September 12, 2017 – Halton Healthcare’s Mental Health Program is hosting a unique Information Night for patients, families and others interested in learning more about adolescent mental health. This free information event will introduce and develop discussions regarding the Netflix drama series, *13 Reasons Why*, with its compelling portrayal of teen mental illness, self-harm and suicide. The evening agenda will consist of a presentation by Dr Jeremy Butler, Lead Psychiatrist at the hospital’s Emergency Mental Health Service, followed by an interactive Q&A session.

When: Wednesday, September 20, 2017 6:00pm to 8:00pm

Where: John Oliver Auditorium, Oakville Trafalgar Memorial Hospital, 3001 Hospital Gate, Oakville.

To reserve your seats for this free event, please call 905-845-2571 x.4593 or email familyedinfo@haltonhealthcare.com
