OTMH Hosts Kidney Donor Transplant Information Night

(Oakville, ON) April 18, 2017 – Halton Healthcare’s Nephrology Program in partnership with Trillium Health Partners in the Mississauga Halton LHIN, are hosting a unique Information Night for patients and their families interested in learning about living kidney transplants.

When: Tuesday, April 25, 2017 6:30pm to 9:00pm

Where: John Oliver Auditorium, Oakville Trafalgar Memorial Hospital, 3001 Hospital Gate, Oakville.

To reserve your seats, or for more information please call 905-338-4354.

Patients with chronic kidney disease and their families are invited to learn more about living donor kidney transplants from the patient and donor perspective. The evening agenda will consist of a kidney transplant patient and donor speakers sharing their own personal experiences, followed by nephrologists and transplant nurses sharing their expertise. This Information Night provides a unique way to learn about kidney transplant options and processes from those who have first-hand experience.

About Halton Healthcare:

Halton Healthcare is a regional healthcare organization comprised of three community hospitals - Georgetown Hospital, Milton District Hospital and Oakville Trafalgar Memorial Hospital. Together these hospitals provide healthcare services to more than 325,000 residents in the communities of Halton Hills, Milton, and Oakville. Halton Healthcare hospitals have been recognized for their best practices in a number of patient safety and patient care initiatives.
