Halton Healthcare Enhances Website to Help Patients and Visitors Navigate OTMH

(Oakville, ON) December 16, 2015 – Halton Healthcare has recently enhanced its website to make it easier for patients, families and visitors to find their way around the newly opened 1.6 million square foot Oakville Trafalgar Memorial Hospital (OTMH) at 3001 Hospital Gate.

Information about accessing the new OTMH, including: maps, parking, transit and directions to specific departments, clinics or services, can be found by visiting www.haltonhealthcare.com and clicking 'New Oakville Hospital'.

The 'A-Z Index' is useful for accessing specific areas of the hospital through step-by-step directions provided in videos and fact sheets. Staff and volunteers are also available to assist patients and visitors to orient themselves within the new OTMH.

OTMH is a state-of-the-art community hospital that carries the historic name of the original hospital built in 1950.

Quick facts:

- 1.6 million square feet
- 3MRIs and 2 CT scanners
- 457 inpatient bed capacity
- 80% single patient rooms
- 2,000 parking spaces

About Halton Healthcare:

Halton Healthcare is a regional healthcare organization comprised of three community hospitals - Georgetown Hospital, Milton District Hospital and Oakville Trafalgar Memorial Hospital. Together these hospitals provide healthcare services to more than 325,000 residents in the communities of Halton Hills, Milton, and Oakville. Halton Healthcare hospitals have been recognized for their best practices in a number of patient safety and patient care initiatives. For more information, visit www.haltonhealthcare.com. Follow us on Twitter @HaltonHlthcare.
