Anesthesiologists – Oakville

Halton Healthcare is currently seeking **Anesthesiologists** to join a team of 17 Anesthesiologists at our **Oakville Trafalgar Memorial Hospital**. Halton Healthcare is a tri-site hospital system encompassing Georgetown, Milton and Oakville hospitals. Our current facility at the Oakville Trafalgar Memorial Hospital site opened in December 2015. This provides the unique opportunity to be part of a rapidly expanding, modern program with state-of-the-art surgical suites. Currently there are 9 OR suites, expanding to 10 in the near future, an Ambulatory Procedures Unit (APU) with 4 OR suites, 11 birthing suites with 2 OR suites, and a 19-bed ICU. The Anesthesia group covers inpatient acute pain service and outpatient preoperative clinic. There are 5 Anesthesia Assistants, 1 Respiratory therapist and 2 Acute Pain Nurses in the Department of Anesthesia. There is a full complement of orthopedic, general surgery, ENT, ophthalmology, plastics, urology, gynecology, vascular and maxillofacial specialists.

Successful candidates should have full license to practice anesthesiology in Ontario and be a fellow of the Royal College of Physicians & Surgeons of Canada. Additional fellowship training would be considered an asset.

Interested physicians should submit inquiries and supporting documents by March 1, 2019. Please send a detailed cover letter, current curriculum vitae with description of previous specialty and subspecialty training, and previous work experience, to the attention of:

Dr. Dinesh Nethirasigamani, Chief of Anesthesia, Oakville Trafalgar Memorial Hospital, c/o Andrea D'Sa, Director, Medical Affairs, PhysicianRecruitment@haltonhealthcare.com

All qualified physicians are invited to participate in the pre-application selection process, however, only candidates felt most appropriate for the position will be selected for interviews. All appointments are subject to Board approval.
