Dr. Justin Busse named Associate Chief of Staff for Halton Healthcare Services' Georgetown Hospital

(Halton Hills/Milton/Oakville, ON) November 19, 2014 - Halton Healthcare Services (HHS) is pleased to announce the appointment of Dr. Justin Busse as Associate Chief of Staff of Georgetown Hospital (GH) and Physician Program Director of the Georgetown Family Practice Program. Dr. Busse replaces Dr. Don Trant who retired in September 2014.

Dr. Busse has been a member of the Professional Staff at HHS for the past 13 years during which time he was an Emergency Physician at Georgetown Hospital. He obtained his Medical Degree from McMaster University in 1998 and completed his residency in Family Medicine/ER at Queen's University, graduating in 2001.

Dr. Busse became Director of Emergency Services at Georgetown Hospital in 2006, and has played an integral role in the design and functionality of the recent GH Redevelopment Project which significantly expanded the hospital's Emergency Department.

"We welcome Dr. Busse to these joint medical leadership roles and look forward to working with him," said Dr. Lorne Martin, HHS Chief of Staff. "He will be a great asset to our medical leadership team at Halton Healthcare Services."

"I want to extend my congratulations to Dr. Busse on his new position and to thank Dr. Don Trant for the tremendous support he provided to Georgetown Hospital and Halton Healthcare Services over the years," noted Cindy McDonell, Chief Operating Officer, Georgetown Hospital.

"It is a great time for our organization as we build and expand Halton Healthcare Services' three hospitals in order to grow with the communities we serve. We are building a new hospital in Oakville, expanding the Milton District Hospital and have just successfully completed the Georgetown Hospital Redevelopment Project – which has already elevated the care our physicians and clinicians can provide our patients," said Dr. Busse. "I look forward to being involved in the next phase of planning to further enhance healthcare services in Halton Hills."

Dr. Justin Busse has been appointed Associate Chief of Staff at Georgetown Hospital by Halton Healthcare Services.

About Halton Healthcare Services

Halton Healthcare Services (HHS) is a progressive, multi-site healthcare organization comprised of three community hospitals - Georgetown Hospital (GH), Milton District Hospital (MDH) and Oakville-Trafalgar Memorial Hospital (OTMH). Together these hospitals provide healthcare services to more than 300,000 residents in the communities of Oakville, Milton and Halton Hills. With an outstanding reputation as a workplace of choice and a good community partner, HHS hospitals have been recognized for their best practices in a number of patient safety and patient care initiatives. In 2013, HHS was Accredited with Exemplary Standing - the highest possible status granted by Accreditation Canada.
