

Halton Healthcare is an innovative, growing organization with three progressive community hospitals, providing quality health services to more than 350,000 Halton residents. Halton Healthcare is Accredited with Exemplary Standing by Accreditation Canada.

Cardiologist/Electrophysiologist – Oakville Trafalgar Memorial Hospital

The Department of Medicine at Oakville Trafalgar Memorial Hospital is seeking a full time **Cardiologist** with expertise in Electrophysiology and device implantation.

Our cardiology service provides care to inpatients and the emergency department. Oakville Trafalgar Memorial Hospital is a new state-of-the-art, 1.6 million sq. ft. full-service acute care community hospital located in Oakville, Ontario.

The successful candidate will be joining a well established and growing Cardiac Device Program, which follows patients with standard and advanced cardiac devices. There are approximately 160 implants and 3500 visits performed annually at OTMH. The new Cardiologist will be joining a group of ten Cardiologists as well as an Electrophysiologist.

The successful candidate is expected to participate in the inpatient consultation/call service rotation for Cardiology as well as the Internal Medicine call rotation. Our hospital has a robust Hospitalist Program to support inpatient care.

Candidates must have an independent license or be eligible for an independent license with the College of Physicians & Surgeons of Ontario (CPSO). They must have fellowship standing in the Royal College of Physicians & Surgeons of Canada (FRCPC) in Internal Medicine and Cardiology plus additional training in Electrophysiology and device implantation.

Expressions of interest must be submitted by **March 20, 2023** and include up-to-date curriculum vitae, a description of previous specialty and any subspecialty training, and previous working experience.

For further information or to submit your curriculum vitae, contact Dr. Laurence Chau, Chief of Medicine, via PhysicianRecruitment@haltonhealthcare.com

We thank all applicants for their submissions; however, only qualified candidates will be contacted to attend a pre-application interview. All appointments are subject to an impact analysis and Board approval.
