

Tree Dedication at the Oakville Trafalgar Memorial Hospital

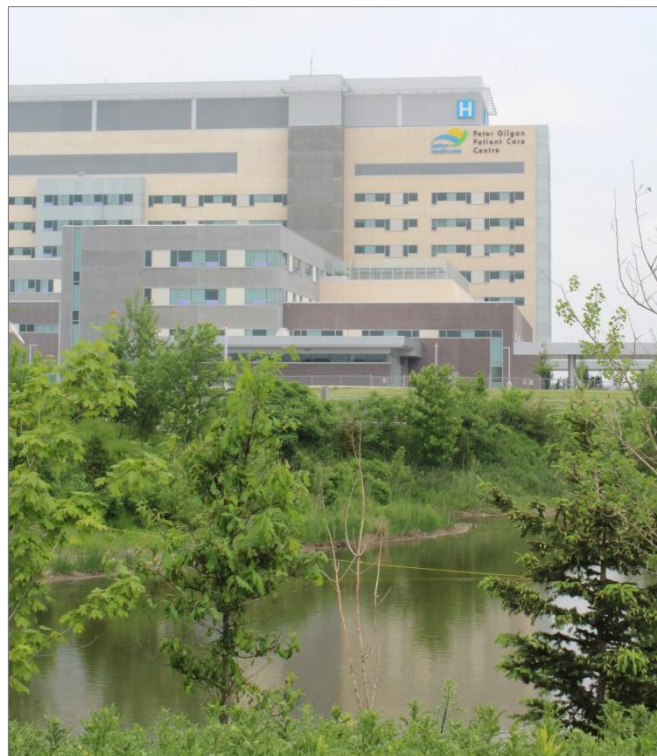

Make a Difference, Leave a Legacy

Honour your loved ones, co-workers, department, or business with a unique, special message.

The Oakville Hospital Volunteer Association (OHVA) offers you the opportunity to make a tax deductible donation through the OHVA Tree & Plaque Dedication Program.

Your personalized message will be placed on a permanent, attractive plaque next to one of our limited number of trees, located on the property of the Oakville Trafalgar Memorial Hospital. Your donation to the OHVA through the Tree & Plaque Dedication Program will directly fund the purchase of hospital equipment.

Whether you are a patient, staff member, volunteer or a business you can have an opportunity to permanently personalize a tree. You can choose from majestic Silver Maples, Pin Oaks, beautiful Skyline Honey Locusts, and Gingko's on Volunteer Way. The trees are located on the most traversed portion of our property, at the west entrance of the hospital.

"Trees are poems that the earth writes upon the sky"
